District Court

At Chauvin

Sittings of the court were held at Chauvin, Friday and Saturday last week, and quite a heavy docket was awaiting the judge's attention. The following cases were heard:—

Achille Houle vs Fred Poirier
Action over threshing bill. Plaintiff claimed agreement to thresh by the hour, afterward claimed agreement to thresh by the bushel. Judgement reserved. **J. Cormack K.C., Counsel for plaintiff.** **H. V. Fieldhouse K.C., Counsel for Defendant.**

St-Jean Bros vs Thos Lepante Sr.
Action over threshing bill. Plaintiff claimed \$310 for 13 1/2 hours threshing at \$20 per hour in fall of 1920. Defendant claimed price excessive for work done. Judgement reserved.

H. V. Fieldhouse, K.C., Counsel for Plaintiff. **J. A. MacKenzie, Counsel for Defendant.**

Thos. Bazley vs W. J. Appin, et al
Plaintiff claimed \$200 for conversion of quantity of oat and wheat straw. Action dismissed with costs. **H. C. Boyd, Counsel for Plaintiff.** **H. V. Fieldhouse, K.C., Counsel for Defendant.**

Willet Farrer vs Foster Kilpatrick
Plaintiff claimed that defendant found \$50 of Plaintiff's money which Defendant refused to deliver to Plaintiff.

Judgement for Plaintiff for full claim and costs. **H. V. Fieldhouse, K.C., Solicitor for Plaintiff.** **J. A. MacKenzie, Solicitor for Defendant.**

There were also several default judgements ordered at a number of orders given for sales under mortgages, lien notes and executions.

Local Justice Court

Before A. E. Keith Esq., J.P., Mr. G. Richardson, on information laid by the Municipal District of Ribstone No. 421, was fined the sum of \$1 and the costs of the Court for neglecting to report suspected case of infectious disease. The Executive Officer of Health represented the Council, and pleaded not guilty. The Executive Officer informed the Court that the Council did not wish to penalize Mr. Richardson, but, owing to the fact that Scarlet Fever, and other infectious diseases were being spread throughout the district, it was necessary that some action be taken as a warning to the public generally. In this case, a complaint had been made, and the Council had no option in the matter. The penalty provided under the Public Health Act was not insisted upon, but would be asked for in any future cases brought under the provisions of the Act.

Curling Notes

In Mr. Forryan competition for four 5 lb. cheeses, three rinks were in the finals. Mr. Code got the bye. Reynolds and Stewart played the first game March 4 on the keenest ice experienced this season. The game was close, Stewart won 10-6, playing playing Code's rink immediately after wards and winning the cheese with a score of 8-5. The cheese eaters are C. R. Stewart skip, O. Hawthorn S. H. Davis and Phil St. Pierre.

Before close of this competition Parcell's rink challenged whoever might be the cheese eaters to a game for the T Bones. This game was played March 6th and was enjoyed immensely by all present on account of the jovial appearance of Bill Cahill. Needless to say the cheese eaters enjoyed the T bones with a score of 15-10. George Reynolds who was an interested spectator then thought of an oyster supper at the expense of the cheese eaters would be very nice. The challenge was accepted and played last Friday, and Stewart's rink was treated to a real banquet at the home of Mr. Reynolds Saturday.

Mr. Code knowing his prowess as a curler decided to put a stop to Stewart's winning streak, and played a hard fought game immediately after the oyster banquet. Saturday evening, a chicken dinner to be the prize.

The Cheese Eaters now have a T Bone Oyster Banquet and Chicken Dinner to their credit, beating Jim by 8-4.

After game with Code, Reynolds rink challenged Stewart for a dinner to be served in the hotel for both rinks and their ladies. At the eleven o'clock Stewart was leading 5-3 and by good scoring Reynolds tied the score coming home winning the game in the thirteenth end by lying one rock beating out Stewart rock by inches.

Card Of Thanks

Notes From North East

The roads last week were in pretty bad shape and made hauling anything but a pleasure.

We are sorry to hear of the illness of Miss Sadie Graham who is confined to bed. We hope ere this is published that she will be round again.

Don't forget the St. Patrick's dance at Brady on Friday evening. Be on hand for the good time promised.

We also hear that there will be something doing at Cliffe School the same evening.

Bradley) has been attending the Mu-

nicipal Convention at Saskatoon.

CHICKEN SUPPER AT ARTLAND

The much talked of Chicken Supper duly took place in the Artland school house and was an unqualified success. It took a long while to satisfy the patrons and from 8 to 10 p.m. was spent in attending to the inner man. From this on until 5 in the morning dancing was the order. Everyone had a good time, in fact everything was good. The receipts amounted to \$36.60.

Greenmeadows U.F.A.

The Greenmeadows U.F.A. annual dance and box social, will be given

in the school on Wednesday, March 29th Every effort will be made to make this gathering a big success, and arrangements have been made for Chauvin orchestra to be in attendance.

W.L.A. Notes

The members of the Westminster Ladies Aid very heartily invite the members of the congregation and adherents of the church to a Social evening at the Westminster Church, at 8 p.m., Thursday, March 16th. Invitations have been sent out to a large number, but as it is not easy to avoid making some omissions, this public invitation is extended.

Machine Guns

Arrive In Chauvin

Two Lewis Savage Machine Guns have arrived in Chauvin. These guns are part of the equipment of the 19th Alberta Dragoons, C. Squadron. A machine gun section is to be formed in Chauvin.

Lealholme U. F. A. & U.F.W.A. Note

The Lealholme U.F.A. and U.F.W.A. held their meeting on Friday, March 10. Owing to the small attendance the U.F.W.A. joined with the U.F.A.

A resolution asking for reduced freight rates also to have Wheat Board for 1922 was sent to H. E. Spencer M.P. at Ottawa.

A joint social evening of the three locals to be held on Friday, March 24th. All members please attend. A good time is assured.

M. D. Ribstone Council Meeting

The first regular meeting of the Council of the M.D. of Ribstone was held at Ribstone at 2 o'clock on Monday March 6. There were present Councillors Ferguson, Sewell, Dallyn Dumont and Tunney. Councillor McEluskey was unable to be present owing to sickness.

In the absence of the returning officer Secretary occupied the Chair, and called upon the Council to elect a Reeve and Deputy Reeve.

Councillor A. Ferguson was elected Reeve for one year, and Councillor Sewell was then elected Deputy Reeve for six months, both according to the provisions of the act.

Minutes of last preceding meeting were read and adopted on motion of Councillor Sewell.

Mr. E. A. Smith presented a petition on behalf of the Hamlet of Rib-

stone, calling for the fixing of a Polling-station within the Hamlet for Division 3 at all future elections. The main reason for the petition was that the resident of the Hamlet, did not own horses, and was unable to go to a country polling-station, without hiring.

Copier poison. Letters were read, and it was decided to leave this matter to the local U.F.A.

Councillor Dumont moved that the Western Municipal News, be subscribed for as before.

The account of Dr. MacGregor was again discussed, and Secretary was instructed to write and say that this account had been incurred without the authority of the Municipality.

Workmen's Compensation Act Assessment, was left over until further reply is received from the Department.

Various items of relief were reported, and approved.

Petition was presented containing

many signatures, opposing the grant of \$500.00 to the Chauvin Agricultural Society, and requesting that the rate-payers be allowed to vote upon it before such an amount be granted. This was filed for the present.

Secretary was instructed to again advise Messrs Guy and Morarty, that the Council had agreed to pay them \$15.00 per acre for the land required for road diversion, and to pay also the cost of the fence.

Bean Brothers, Secretary was instructed to pay the balance of the proceeds of William's sale into the Clerk of the Court.

Hall Insurance. Secretary was instructed to forward half insurance collections to the Hall Board.

Salt Lake. Secretary was instructed to obtain the rental of the Quarter section on 25, south of Salt Lake, and advise the persons interested as soon as same was completed.

Accounts. All accounts and election expenses were passed for payment.

Annual Requisitions. Reeve and Secretary were authorized to borrow the sum of \$10,000.00 for Municipal purposes, and the sum of \$15,000.00 for School purposes for the current year.

Secretary was instructed to write to the U.G.G. to push on the promised brush plow beam.

Grader. Secretary was instructed to write to the Province, applying for a grader to be sent down to this end of the Trunk road.

Provincial Grant. Secretary was instructed to apply to the Province for a grant of \$200.00 to be spent on road work in this Municipal District. same to be forwarded through the Chauvin Central U.F.A.

Councillor Dumont moved that the meeting adjourn, and that the next meeting of the Council be held at April at 1.30 o'clock p.m.

St Jean Baptist U.F.A.

The regular meeting of the St. Jean Baptiste was held on Tuesday, March 7th. Moved Oscar Meurin-Rene Page that minutes of previous meeting be adopted as read. Carried

Moved Oscar Meurin-Rene Page that Secretary be instructed to write to Implements Ltd., Saskatoon to find out their prices on plow shares, also suggest their sending catalogue to members and that members be requested to bring at next meeting their orders for plow shares and hardware.

Moved A. Belanger-G. Collette Rene Page interview local merchants in order to find out their prices on formalin and to try and obtain a reduction on quantities.

that minutes of previous meeting be

A. Belanger, the chairman then introduced L. D'Albertanson, editor of the Chauvin Chronicle inviting him to address the meeting. The editor stated that the meeting was indicated to Mr. George Sarrette who had raised a question he had come to answer, and to Mr. Rene Page for bringing out from town. Mr. Sarrette stated that he thought the local paper should be sold, at in 1914, for one dollar per year, and that every body in the district would then subscribe. The editor then took the floor for half an hour, and using the black-board gave his audience a large number of figures showing the sources of income of the local paper, showing also that many

of the larger publications, depended not on their subscription rates, but on the advertising for their income. He instanced the recent offer of the Grain Growers Guide to U.F. secretaries which offered them a total salary and commission of \$31.50 for collecting \$45 worth of subscriptions, also the Edmonton Bulletin who offered \$200 and automobiles as prizes for collection of subscriptions, and the habit of certain publications of sending the papers for years after the subscriptions had expired, as being proof that the advertising income of these papers were the chief sources of income. Readers of publications, he added did not pay the cost of printing the reading matter for which they had paid their subscriptions. In the case of the Chauvin Chronicle the advertising revenue was more than three times as great as the subscription revenue, and there was an an-

nual deficit of about \$1000 paid personally by the editor from his job-printing department. He emphasized that whilst in 1914 he sold his readers four pages of local matter per week for one dollar a year, he now sold eight pages for two dollars, and from that point of view the price was fair. He also emphasized that as compared with 1914, he today gave more than three times as much news per week, thus today, the paper was better buying today.

He dealt with the postal regulations he showed several injustices therein, explaining where the taxpayer was penalized by misuse of the mails.

A number of questions were asked and answered and a general discussion followed.

Moved by Ed. Sarrette, seconded by Rene Page: that a vote of thanks be extended to Mr. D'Albertanson for his explanation re printing of the Chauvin Chronicle. Carried

Wheat Board And Freight Reductions Favored At Fram

The usual monthly meeting of the above association was held in Fram Schoolhouse on Saturday afternoon last. The President (Mr. A. S. Lavold in the chair. The minutes of the previous meeting were passed as read. On the motion of K. W. Coe, Mr. S. Scholin, Mr. D. Alton was elected a member of this local. Mr. Henry Ostrum reported that he had not been advised of any meeting of the trustees of Fram School district, and it was decided that, on being notified, Mr. Ostrum would attend the next meeting of that body on behalf of this Association. The delegate to the S.G.G.A. Convention (Mr. K. W. Coe) then presented his report which was listened to with great interest.

The president said they had to thank Mr. Coe for the splendid manner in which he had represented their local, and on the motion of Mrs. O. Scholin sec. by Mr. H. O. Ostrum a hearty vote of thanks was given to

the delegate. The expense sheet was also approved and passed unanimously by the meeting. It was decided that the Councillors for Divisions 4 and 5 (Messrs H. Smith and G. Mitchell) should be asked to attend the next meeting of the Association, and the Secretary was instructed to write to these gentlemen to that effect.

The next meeting was announced for Saturday April 1st in Fram School at 8 p.m. Lunch will be served by the lady members and 10 cents will be charged for lunch.

The following resolutions were passed unanimously.

WHEAT BOARD RE-ESTABLISHMENT Text of Resolution

Whereas the serious financial condition of the European countries where the great bulk of Canadian wheat is consumed, and the disorganized state of world markets have caused the price of wheat in Canada to fall below the cost of production bringing about great hardship and considerable suffering in the prairie provinces, and has also demoralized business all over Canada; therefore be it resolved that this local of the Saskatchewan Grain Growers Association goes on record as strongly in favor of the re-establishment of the Canada Wheat Board to market the 1922 crop and until such time as world conditions are again normal, believing that the Canada Wheat Board will stabilize the markets and sell the wheat crop with greater advantage to the producer and thus help western agriculture as well as improve business conditions generally. And we urge the member of parliament for our constituency to use his best efforts to have the necessary legislation enacted at the ensuing session of parliament so that the wheat board may be re-established in time to handle the 1923 crop.

Moved by K. W. Coe.

Seconded by W. G. Pritchett.

Kendal W. Coe

LOWER FREIGHT RATES

Text of Resolution

Whereas freight rates on grain from the prairie provinces to Fort William today average \$2.00 per car higher than in 1917, and the freight rates on other agricultural products are extraordinarily high, thus causing a crushing burden upon western agriculture; and whereas the Board of Railway Commissioners and the late government utterly failed to provide any reasonable relief from this unjust burden; therefore be it resolved that this local of the Saskatchewan Grain Growers Association urge upon the member of parliament representing our constituency to do all in his power to have freight rates on grain, livestock, lumber and coal reduced to the 1917 basis by act of parliament if other means fail.

Moved by A. S. Lavold.

Seconded by O. Scholin.

LOCAL NOTES

The Oddfellows and Rebekahs held their monthly joint social last Wednesday evening. The party dispersed about 1 a.m. after spending a most enjoyable evening.

The weather during the past has been very moderate, and horses and cattle are benefiting greatly and doing fine. The roads are almost impassable owing to the rapid thaw.

The farmers are busy getting seed grain ready and doing the various other items necessary that all shall be in readiness for the spring work.

L. B. Nicholson, Secretary of the Morton Municipality left yesterday for Calgary to attend the Convention of Municipal Secretaries which is in session there this week.

We regret to announce that Mr. Robert Tennant, one of the old-timers of the Edgerton district away on Fridays, March 3rd, at the age of 82 years. The deceased gentleman lived for many years about ten miles south of Edgerton, and leaves a number of relatives to mourn the loss.

Con Craig returned from Vancouver Sunday last.

International Stock Food in pails and smaller packages at Toronto prices. This is the time of year to tone your horses up for spring work. Try a package.

The Chauvin Pharmacy

The Chauvin miniature hockey played a game Saturday night last. We are sorry to report that our miniature forward knocked out our star player in the second period. The star one stone, (Chauvin, the ice and hockey, besides).

ST. ANDREW'S SOCIETY
CONCERT AND DANCE

The local St. Andrews Society are making their existence felt again by putting on a splendid concert on Friday 24th.

The concert will be followed by a real old fashioned dance which, for an evening at any rate will bring the old timer back to the days of his youth.

All the one-time favorites will be enjoyed again and everyone is ensured a good time.

MUNICIPAL DISTRICT OF RIBSTONE, NO. 421
LOCAL BOARD OF HEALTH

Penalties For NOT Reporting Cases Of Notifiable Diseases

Section 16 of The Public Health Act of the Province of Alberta:--- WHENEVER A HOUSEHOLD ASCERTAINS OR HAS REASON TO SUSPECT THAT A PERSON WITHIN HIS FAMILY OR HOUSEHOLD IS INFECTED WITH ANY OF THE FOLLOWING NOTIFIABLE DISEASES, namely; Smallpox, Chickenpox, Diphtheria, Scarlet Fever, Typhoid Fever, Measles, German Measles, Whooping Cough, Mumps, Puerperal Fever, etc., HE SHALL WITHIN TWELVE HOURS GIVE NOTICE IN WRITING TO THE EXECUTIVE OFFICER OF HEALTH, MUNICIPAL OFFICE, CHAUVIN, or to the Councillor for the Ward in which he resides (who is the local member of the Local Board of Health of the Municipal District).

Section 251:--- ANY PERSON VIOLATING ANY OF THE PROVISIONS OF THIS ACT SHALL, ON SUMMARY CONVICTION BEFORE A JUSTICE OF THE PEACE, BE LIABLE TO A PENALTY OF NOT MORE THAN \$50.00 AND COSTS.---THIS APPLIES TO ALL PERSONS WHO ARE AWARE OF THE EXISTENCE OF ANY NOTIFIABLE DISEASE.

PERSONS ATTENDING TO EMERGENCY BUSINESS FOR ANY HOUSEHOLD WHERE SUCH DISEASE IS KNOWN TO BE, WHETHER OFFICIALLY QUARANTINED OR NOT, MUST NOT LOITER IN STORES OR MEETING PLACES. WHERE POSSIBLE THEY MUST HAVE THE GOODS HANDED TO THEM AT THE DOOR OF THE STORE---THIS REFERS TO ALL PUBLIC PLACES.

Whenever any house has been placed under quarantine, (either by card or verbally) NO PERSON THEREIN SHALL LEAVE nor shall the contents thereof be removed from any such house, nor shall any occupant thereof hold communication that might result in spreading infection with any person outside such house; no person shall enter such house except attendants, until such house, inmates and contents have been properly disinfected and released from quarantine.

Provided further that any inmate of any infected house may do whatever may be necessary to procure medical or other aid in any emergency.

Municipal District of Ribstone, No. 421

Chauvin, Alberta, March 11th 1922.

European pheasants that were liberated in Alberta three years ago are spreading through the country as rapidly that it is thought on open shooting season will be permissible in a couple of years hence. Some of them have been seen in Southern Saskatchewan. They have proven quite hardy in the West.

Steam power to operate the big oil drill being operated by the Imperial Oil Co. west of Wainwright, Alberta, is generated by natural gas carried through a 3 inch pipe from the company's well at Grattan Coulee, seven miles away.

There are in Saskatchewan today 4,480 school districts, of which 90 were established last year. There are 39 consolidated districts.

A consignment of 150,000 bushels of wheat grown in the Saskatoon, Sask. district was shipped to Japan recently. India has also come into the market for Western Canadian wheat.

It is estimated that 500 new sites will be erected on Manitoba farms this year.

Up to January 31st the Saskatchewan Co-operative Co. had handled 3,600,000 bushels of grain of the 1921 season's crop, 7,000,000 bushels more than in the previous years.

It is better to be sure than sorry

Homestead Entries

In Manitoba and Saskatchewan last year 4,206 free grant homesteads were taken up, representing 672,960 acres. Soldier grant entries to the number of 1,123 representing 179,630 acres were also taken up in these provinces. There are still available in Manitoba, Saskatchewan and Alberta, 191,183 government home steads representing 30,589,280 acres, and in addition to these there are extensive areas of good agricultural land that have not yet been subdivided, but which in the meantime can be utilized for stock raising, timber reserves, etc. The principal homesteading districts to day are:

Homesteads	Acres
Edmonton, Alta.	13,640 9,392,400
Battleford, Sask.	13,229 2,116,640
P. Albert, Sask.	13,899 2,232,840
Saskatoon, Sask.	4,880 780,800

Farmers Manage Big
Insurance Company

At the 38th annual meeting of the Portage la Prairie Farmers Mutual Fire Insurance Co., held recently, it was reported that the company has now in force insurance to the amount of \$70,472,332. Last year policies issued aggregated \$26,207,337, an increase of \$7,318,425 over 1920. This company was organized by farmers and is managed by farmers entirely. It is said it carries more risks than any other company in Canada. It has a big reserve, which is invested in government bonds chiefly. The only salaries paid are those of the manager and his staff, the directors giving their services without remuneration. Policies cover losses from storms as well as from fire.

Dairy Competition
In Saskatchewan

Results of the greater average production competition for 1921, co-operation, have just been announced. The herd of D. A. Welk, Rosethorn, which won first place in 1920, again heads the list. This herd, com-

sisting of seven cows, gave an average production of 10,816 pounds of milk and 377.5 pounds of butter-fat. Second place also goes to a Rosethorn herd owned by A. A. McLachlan, with an average yield per cow of 335 pounds of butter-fat, while third place goes to J. J. Wilson, Mirror Dairy, Regina, with an average yield per cow of 322 pounds of butter-fat. The remaining five prizes were won by herds from widely scattered points in the province.

The Fairs Circuit

Dates for the principal summer fairs in Western Canada this year have been decided on as follows:-- Calgary, June 30 to July 7; Edmonton, July 8 to 15; Saskatoon, July 17 to 22; Brandon, July 24 to 25; Regina July 31 to August 5. A good time to visit the country and make the circuit by the Canadian National Railways.

U. F. A. Membership

A year of rapid growth in the membership of all branches of the United Farmers of Alberta was recorded during 1921. The total paid up membership of 37,679 includes 4,200 members in the U.F.W.A. and 1,479 juniors; divisions being approximately 32,000. The membership in all branches in 1920 was 30,769, of whom 3,926 were in the U.F.W.A. and 942 juniors. These figures, revealing an increase of more than 23 per cent. during the past year, are contained in a report on membership just completed by the central office. During the twelve years which have elapsed since the U.F.A. was formed by the union of the Society of Equity and the Alberta Farmers, the membership has multiplied seventeen times.

Chauvin Follies

A very bright and novel entertainment will be given here on March 21st by the "Chauvin Follies".

Rehearsals are in full swing and already there are signs which promise well for the enjoyment of our audience. Is Chauvin full of beauty and talent? As Bill says "I'll say so!" and so will we on the 21st.

Proceeds to aid our unemployed and needy in the Province.

A more detailed account will appear in the Chauvin Chronicle with next week's issue.

Counsel: "I'm sorry I couldn't do more for you." Convicted Client: Don mention it, guv'nor; ain't five years enough?

"A man I met yesterday did not look particularly intelligent, and yet he told me he makes his living by his pen." "So he does; he raises sheep."
